

INFIELD

To stand on the blue track just once – that is every visitor's dream at the Olympiastadion Berlin. Why not make your dream, and that of many of your guests, an unforgettable reality: The track is available for your event! Whether it is a running event, a velotaxi race, a bar table party or an incentive for your employees – the track can also be used for many non-sports related activities and it is always ready to be the venue where new records of all kinds are set.
